Re: 2020 Spring Soccer Season Registration for High School Players

If you are interested in participating in the Hingham Youth Soccer Spring Program for the High School travel divisions, you should register on-line at www.hinghamyouthsoccer.com as soon as possible. A waiting list will be created if more players register than expected. You can register on-line at www.hinghamyouthsoccer.com. The fee is \$150 for the spring season; this fee includes a full uniform kit for all players.

The 2020 spring high school division season will run from early April through Mid-June. All games are played on Sundays. Practices will be held late Saturday afternoons and will be run by professional coaches (This could include Galway, or South Shore Select). Post-season play is possible for qualifying teams; the final playoff games would be in late June at the Massachusetts Tournament of Champions (MTOC).

Not only is this a great way to stay in soccer-shape and play for fun, the value provided with professional weekly training, full uniform and a 9-11 game schedule is unmatched. It is an especially attractive option for those players who play a high school spring sport and do not wish to spend large amounts of money for a club program where they will have conflicts with their high school sport.

We are looking for coaches for all teams, so please volunteer on the registration form if you are willing to help out.

For teams this spring, HYS will likely have:

- 9th & 10th Grade Boys (DOB Range: On or After 1/1/2003)
- 11th, 12th Grade & PG Boys (DOB Range: On or After 1/1/2000)
- 9th & 10th Grade Girls (DOB Range: On or After 1/1/2003)
- 11th, 12th Grade & PG Girls (DOB Range: On or After 1/1/2000)

If there is sufficient interest to form a second team at any level, HYS will do so. If you have any questions, please e-mail me at cgong@cetllp.com
